

## UR Stay Birmingham Accessibility Statement

Ur Stay Birmingham is committed to providing an enjoyable stay for all guests.

Ur Stay Birmingham occupies several flats within a newly built block of residential apartments. (Completed November 2017)

All of our apartments are accessible by lift from the ground floor.

The showers have a 15cm step access and the baths do not have any rails.

There is a 15cm step access from the car park entrance to the main hallway leading to the lift.

We occupy several apartments, which have steps that lead down into to the apartment. We also offer a similar style of apartment for each apartment type which do not require step access that is why we request that anyone wishing to make an enquiry or booking informs us of any special needs that they may have in order for us to meet any personal requirements.
